

# Care Mobility

Getting you there every day

## Dependable rides for seniors and patients with recurring medical appointments

- 🩺 **Dialysis:** Frequent, recurring sessions requiring strict punctuality for life-sustaining care.
- 💉 **Infusion Therapy:** Long-term, consistent visits to the same facility for oncology or specialty meds.
- ☢️ **Radiation Therapy:** Daily, high-frequency appointments with rigid, time-sensitive windows.
- 🦽 **Rehab & Therapy:** Ongoing physical or occupational sessions focused on recovery and routine.
- 🏥 **Post-Op Rehab:** Essential follow-ups during periods of temporary, limited mobility.
- 🍷 **Substance Use Treatment:** Consistent outpatient attendance vital for program success and recovery.
